**Telephone: 702-528-9588**

**Secure E- Facsimile: 561-623-6257**

**Employment**

- 2015-present John Jay College of Criminal Justice, New York, NY, Adjunct Professor – Department of Professional Studies.
- 2009-pres Founder and director of EAA, formerly LVAA, website dedicated to research and the training of certified ADA advocates for the invisibly disabled participating in the legal system.  
Evaluates and advocates for litigants currently participating in the judicial System resulting in a daily recognition of the need for the implementation of the ADA and trained ADA advocates.
- 1963-03 Clark County School District, Las Vegas, NV, resulting in the identification of C-PTSD as a result of family trauma and recognition of accommodations as intervention.
- 1986-03 Individuals with Disabilities Act (IDEA) liaison under Section 504 and IDEA Special Education resulting in a working familiarity of the disabled as they function within a public entity.
- 1972-pres Marriage and Family Therapy private practice, emphasis on post-trauma stress, litigation stress, and EMDR treatments resulting in past and current/ongoing cases relevant to the use of the ADA.
- 1975-83 Chapman College, La Salle University, and University of Las Vegas, Nevada Extension Division, instructed in the areas of traumatic stress resulting in the expansion of the program.

**Clinical Developments Employing the ADA and/or Non-apparent Disabilities**

- 2009-present Given litigants with non-apparent disabilities and clinical assessments determining the need for physical and psychological equal access to improve the judicial experience advocacy as an accommodation under the ADA was recognized.
- 2010-2011 Developed a suggested standard of care for litigants with invisible disabilities with the intent of building awareness of the need for a change to a social model from a medical model accommodating the general population resulting in a more inclusive implementation of the ADA.
- Pub. 2011 Developed a graphic for training and a rubric for evaluation of the certified ADA advocates resulting in a clear and dynamic program of ethical application of the ADA within the judicial system.
- 2010 Developed and authored advocate certification and ADA forensic specialist certification syllabi used to obtain 3 college credits, 18 CEUs, CLEs including 6 ethic credits approved by the Nevada Board of Continuing Legal Education, King’s International University of Science and Technology, and Nevada Social Workers Licensing Board resulting in 5 years of online teaching experience and refinement of presentation.

- 1997-07 Conducted a longitudinal survey identifying the unique needs of litigants with PTSD, Huffer/Alexander Research 2007, unpublished, sponsored by Redressinc, 501c3, Charity resulting in the identification of Legal Abuse Syndrome.
- 2001 Broadened and aligned the FBI protocols regarding diagnosis of PTSD (DSM III/IV/V) resulting in a debriefing graphic that improves executive functionality for persons with disabilities as they work with legal counsel.
- 1993-2003 Developed “Neighborhood, Home, and School” questionnaire for improved training of counselors and educators resulting in early identification of risk/onset of C-PTSD from non-acute traumatic exposure.
- 2001 Given the FBI’s critical-incident and PTSD debriefing protocols and children with special needs, developed through assessments and observations a training program for counselors resulting in the broadening of special education services in Clark County School District, Las Vegas, NV.
- 1995-2000 Developed a PTSD survey modified from Keane, T.M., P.F. Malloy & J.A. Fairbank for empirical development of an MMPI subscale for the assessment of combat-related post-traumatic stress disorder applied to legal consumer experiences resulting in a tool for field work to vet/expedite need for psychological evaluation.<sup>1</sup>
- Pub. 1995 Developed a therapeutic mitigation program to facilitate a resolution for those unable/unwilling to continue in the adversarial conditions of the courtroom resulting in predicted outcomes of decisions agreed upon outside the courtroom.
- Pub. 1995 Developed Huffer’s 8-Steps, a mental health component, in the treatment of PTSD and stress related conditions caused or exacerbated by litigation resulting in increased executive functionality, preparedness, and recovery.
- 1983-92 Conducted presentation for peer review regarding treatment protocols, potential ethics violations, and inadvertent abuses of those with PTSD in our bureaucratic and legal systems resulting in data for pre-publishing analysis of thesis and protocols.
- 1979-84 Through diagnosis, dialogue, observations, and peer review, achieved a foundational consensus that PTSD, with etiology of litigation stress, is an anxiety condition compensable by insurance and treatable resulting in the development of a treatment protocol, sponsored by “Life Span” at Hospital Corporation of America Monte Vista Psychiatric Hospital in Las Vegas, NV.

### **Americans with Disabilities Act (ADA) Evaluator and Expert Witness**

Testimony has met both Daubert and Frye Standards for testimony as expert witness.

Due to the sensitive nature of litigant’s cases, especially those involving domestic violence, examples are limited to the following:
